

# AMITY UNIVERSITY

— KOLKATA —

Outreach Programme Organized by  
Amity Institute of Information and Technology, Kolkata

We come together to provide basic education, knowledge to the underprivileged children and families of Sundarbans, An equal opportunity for all the students who feel that education comes with a price and their parents who struggle to provide their children.

We will be providing a workshop for the students on educational well-being and benefits of basic education.

We would also provide aspects and scope to the children to know about higher education  
Join hands and help us provide basic education for the needy, enthusiastic kids of Sundarbans.

Join Us On: 16th Nov, 2023
